Kick start your Christmas shopping!

Each of our charity shops, Giles House reception and our Gift Shop at the Wellbeing Hub now have our range of Christmas items available! We have our 2022 Brian Barlow calendar, a variety of Christmas card packs and four designs of our 2022 diaries to choose from. **You can also shop cards, calendars and diaries online at <https://shop.boltonhospice.org.uk>**

The profits from sales of these items will help to fund the continued work of the hospice, and are very gratefully received.

Knitting to make a difference

Recently some of our fantastic volunteers have kindly been knitting nurses for a special project with our Fundraising team, and we'd like to thank all of our knitters for their support!

If you would like to join our knitters or would like to share your crafting skills with us in another way, please contact Kathryn Willett at Kathryn.Willett@boltonhospice.org

OCTOBER 2021

30th Anniversary celebrations

We're delighted to announce that tickets are now on sale for our 30th Anniversary Bow Ties & Pearls Ball, on Saturday 5th March 2022 at Bolton Whites Hotel at the University of Bolton Stadium!

Special discounted tickets are £35 - only for hospice staff and volunteers (usually £50 for standard tickets and £65 for premium tickets).

Hope to see you there!

Your ticket will include a drinks reception, 3 course meal and entertainment throughout the night.

We know that so many of you have faced enormous challenges in the last 18 months so we hope this will be an opportunity to get together, put your glad rags on and let your hair down for the evening to celebrate 30 years of providing the very best care for local people.

To book, please contact Alice Atkinson by email at A.Atkinson@boltonhospice.org with names and the number of tickets and we will add you to the guest list.

It would be helpful if you could also let us know if there are other staff/volunteers you want to be seated with on the night – it will be tables of 10 but we should be able to accommodate slightly more or less on a table by request.
