What do existing patrons have to say?

“The staff and resources at the hospice are first class and very much appreciated by the patients and their families.

The patronage programme has given us the chance to get involved with the fantastic events the hospice runs whilst also knowing we are making a contribution to the essential fundraising the hospice depends on.”

Andrew, Ideal Corporate Solutions

“Bolton Hospice are an amazing part of our community and I think that, at some point, all of our staff have experienced the care and compassion shown by the whole hospice team.

To any business looking to review their Corporate Social Responsibility strategy, I would highly recommend the Bolton Hospice patronage programme as a way to show the caring and more personal side of your business.”

Mark, Digicomm

Become a PATRON & support our future

Our patron scheme is a collection of individuals, companies and groups who want to make a difference on their doorstep by helping to fund our vital care for local people.

Why not become a Diamond, Emerald, Platinum or Gold Patron?

Joining our patron scheme is a wonderful way to show your support for your local hospice.

All our patrons receive a number of benefits, but the real benefit is knowing you are helping to fund specialist care for patients and families when they need it most.

 We pride ourselves in supporting local families when they need us the most.

 We're an independent charity. We receive around £1m in NHS funding but need to raise over £4m every single year to continue providing free expert care and support to our community.

 Your partnership will help us support our community today and well into the future.

 We provide specialist palliative and end of life care and support in our inpatient unit, wellbeing hub and at home with our Hospice at Home service.

 We also provide outpatient clinics, specialist services and wellbeing sessions at our wellbeing hub, 24 hour telephone advice, occupational and physiotherapy, spiritual support for all faiths or none and so much more.

 We're there for the whole family providing carers support, bereavement support, complementary therapies and creative therapy.

Your patronage supports...

Inpatient Unit

Bolton Hospice has 16 private en-suite rooms, which are comfortable and homely with direct access to our garden of tranquility. Our consultant led team of Doctors, Nurses and other professional staff provide expert care and support for local people with terminal or life-limiting illnesses and their families.

Hospice at Home

Our Hospice at Home team works closely with District Nurses, GP's and Macmillan Nurses to care for people who are seriously ill and nearing the end of their lives in their homes.

Bereavement services

We are committed to supporting family and friends throughout their contact with the hospice including after a patient has died. Our bereavement support coordinator and volunteers offer support to suit each individual. We also offer informal support sessions at the hospice.

Dr (h.c) Leigh Vallance, Bolton Hospice CEO

Wellbeing Hub

A drop-in support service with access to specialist services such as symptom management, outpatient clinics, wellbeing sessions and carer support.

Education services

We offer a selection of courses around end of life care issues along with other aspects of clinical and communication issues.

“Bolton Hospice relies on the generosity of others to be able to provide its unique specialist care. Patrons gives us a degree of certainty and confidence, knowing that you too believe in what we do.”
